The All Adivasi Students' Association of Assam has called for a 12 hour statewide Assam bandh on Friday demanding capital punishment for the sacked education minister Ripun Bora for his alleged role in the tea tribe leader Danial Topno killing which has come to light.

Talking to Assam Times, AASAA leaders say the Congress has done a lot to dupe the tea tribe but ironically these people have been voting for the party for decades. According to AASAA leader David Horo, Congress has been using the Adivasis as vote banks only for decades only to reward the tea community with deaths and deprivation in return.
