The All [Bodo Students](#) union([ABSU](#)) and its allied organisations opposed the commissioning of “One Man Expert Committee” naming it national policy for the solution of Bodoland issue from BJP led [NDA](#) government.

The [Kokrajhar](#) district unit of students union and its allied organisation like [BPPE](#), UDPF and People joint Action Committee for Bodoland Movement(PJACBM) [today](#) submitted a memorandum to Narendra [Modi](#), Prime Minister of India through [Kokrajhar](#) Deputy Commissioner opposing the assuming of office of one man expert committee headed by [GK Pillai](#), former Union Home Secretary and termed that the expert committee can't meet permanent solution of Bodoland issue.

The memorandum stated that Bodos democratic movement for separate state of Bodoland has marked its 47 years but it has genuinely and politically not been addressed as yet. Interestingly enough, during these periods, Meghalaya(1971), Arunachal Pradesh(1972), Nagaland(1975), [Mizoram](#)(1986), Jharkhand(2000), Chhatisgarh(2000) and Uttaranchal(2000) were created without much hesitance. It is aware of the fact that Telangana one [more new](#) state in south India is just created. But then, the genuine issue of [45](#) years of Bodos aspiration of the separate state of Bodoland has once again deliberately been turned aside due to continued political conspiracy, suppression, oppression and deprivation of dominant main stream society of [Assam](#) and due to the utter negligence of the government of India. Despite of two [Bodo](#) accords that were signed between [Bodo](#) leaders and the government of India in 1993 and 2003, resulting creation of Bodoaland Autonomous Council and Bodoland Territorial Council respectively, but these two accords could not fulfil the needs of Bodos and other communities living in the proposed Bodoland only because of the mere economic package on offer rather than a sincere and legitimate political solution. The one man expert committee headed by Pillai is not accepted which directed under the ministry of home ministry during the period of last [UPA](#) II government, and was sought by the ruling [BPF party](#) in [BTC](#) administration for their vested [party](#) interest and due to its nature of time buy politics. The memorandum also said that during the [UPA](#) government, the third round tri-partite talk has already [held](#) on the same issue in between [Assam](#) and union [govt](#) headed by [ABSU](#) and demanded early solution of long pending demand of Bodoaland issue.
