BJP leader L K Advani will be on a two-day visit to the BTAD areas on Monday and Tuesday. The BJP veteran will visit the worst-affected Kokrajhar district and some other areas in the state and meet the affected people in the relief camps. The visit assumes significance after a party team submitted its report to party president Nitin Gadkari.

The BJP's fact finding team blamed illegal immigrants for the violence and demanded that the Indo-Bangladesh border be sealed immediately and sought more deployment of army and para-military forces to check the spread of violence.
