The situation in flood in 70% Kaziranga national park cross danger level second time this year.The animals elephant,rhino,buffalo,deer etc moving towards the Karbi hills through animal corridors.Mainly effected area are Agaratali,Burapahar and Bagari. Animals are passing through National Highway No.37 from Panbari , Haldhibari and Deupani animal corridors to the Karbi hills.Time of crossing NH.37 lots of animas killed so far,so forest guard keeping eyes on it deeply.Forest department keeping 10 Bericate in NH.37 from Burapahar to Kahora with 144 law for control speed level of the vehicles.In other way lots of organization,nature lovers & forest people requesting Assam forest minister for making Highland in KNP as soon as.Some of forest guard also unhappy for not geting kerosene oil,tourse light,raincoat time of guarding.
