AGP on Sunday resolved to take a stand against construction of big dams in the state and came out against the proposed Brahmaputra River Valley Authority.

Party president Prafulla Kumar Mahant said in Lakhimpur that the BRVA would not solve any issue and will in fact be a non-starter. Mahanta also called for immediate steps to solve the issue of illegal immigrants, besides asking the government to commence work on updating the National Register of Citizens and for implementation of all the clauses of the Assam Accord.
