The grassroot level AGP workers are not comfortable in the poll alliance with BJP. This was on display as the party was holding its general House meeting in Guwahati on Sunday.

Several leaders in the district told Assam times, that they are leery of success in the upcoming Lok Sabha polls in view of uncomfortable reputation of BJP in many places.

The meeting was convened to make the grass root leaders prepared to face the pre poll situation.

The meeting adopted a set of resolution stressing infiltration, unemployment, flood problems et al.

Sources said the party convened the meeting fearing that the grassroot activists might not cooperate during the campaigning process.
