NAMRUP: More than 600 people in a remote hamlet in Namup have reasons to smile. Courtesy Naharkatiya MLA Naren Sonowal. Decade long potable water [crisis](#) no longer would put these villagers in dire straights.

Sonowal formally opened water connectivity in Panisukia Bongaon near the Joyepur Reserve Forest on Sunday.

In his address he said, " when I came to know the acute potable water [crisis](#) during the time of polls I promised to provide the villagers a solution which is permanent. Today I have kept my promise much to your delight."

Local residents thanked Sonowal for his initiatives to ensure water connectivity to the village.
