The All [India](#) Students Federation (AISF) on Sunday threatened that all unrecognised schools currently running in [Manipur](#) will [soon](#) be closed down.

“The federation is all-prepared to shut down all such schools across the [state](#),” AISF [state](#) secretary Khundrakpam Rameshwor announced during a press meet at the federation office here.

The left-wing [student](#) union [leader](#) also noted that four attached-private schools have been [found](#) functioning without proper infrastructure in [Imphal](#) East and [Imphal](#) West and drew the attention of the [state](#) government in initiating action against these institutes.

Rameshwor warned of going [over](#) the [state](#)-run schools allowing attachment to such unrecognised institutes in the [state](#).

He said the [state](#) has increasingly seen an emerging [trend](#) of mushrooming of private schools as students opt for private schools for better education as the government-run schools provide poor quality education.

In July last, [Manipur](#) Assembly passed two bills to regulate establishment and management of private schools and coaching in the [state](#).

But, the [Manipur](#) Private School (Registration and Regulation) Bill, 2017, and [Manipur](#) Coaching Institute (Control and Regulation) Bill, 2017 had triggered strong protest from private schools. They dubbed the [Manipur](#) Private School (Registration and Regulation) Bill 2017 half-baked and irrational bill.
