KMSS [leader](#) Akhil Gogoi is undergoing treatment at the Assam Medical College Hospital in Dibrugarh where he was admitted a couple of hours back on Friday.

Gogoi, who had been languishing in Dibrugarh Central Jail since he was arrested for his objectionable speech at a meeting, was rushed to the hospital in the morning.

After a two hour long medical test, the doctors suggested the authorities to admit him for a better treatment of skin infection which he complained inside the jail.

A month after he was arrested for his objectionable speech, Gogoi later was arrested under the [National](#) Security Act.
