GUWAHATI: The United Liberation Front of Asom(I) says Assam is going to be yet another [war](#) theatre thanks to the army who want to retaliate the 1962 aggression.

In a joint speech of chairman Dr Abhijit Asom and Chief of Staff Paresh Baruah celebrating the outfit's army day on Friday, they said the army chief keeps visiting the region these days to take stock of the [war](#) preparedness against China.

The [ULFA\(I\)](#) [leader](#) duo said the consequences would be very pathetic if yet another Indo-China [war](#) is allowed to take place.

They further urge the people to be aware of the non [stop festivity](#) in the [state](#) which would affect the growth of the Assamese as a nation.

Lashing out at RSS, the [ULFA\(I\) leaders](#) said, "the RSS is entrapping the teens similar to Nazis Germany creating the Hitler Jugend in the 30s to 40s. This is a very dangerous development in Assam. The parents should steer their children clear of the RSS influence."
