Day after All [India Congress](#) Committee (AICC) in charge of [Arunachal Pradesh](#) V Narayansami alleged Bhartiya Janata Party (BJP) to be behind the open defiance in congress party and also alleging Prime Minister [Narendra Modi](#) for creating hubbub in whole north-eastern [state](#), Bhartiya Janata Party [state](#) unit demanded apology from the Narayansami for dragging the BJP and prime minister Modi to divert their party's internal differences.

‘We strongly condemn the statement of Nrayansami in our strongest term for dragging the name of BJP and [Narendra Modi](#) including Minister of State for [Home](#) affairs in the internal [rift](#) of ruling congress government. His statement is without the iota of truth, baseless and unfounded which has been used just to divert the current political imbroglio ‘slammed BJP-[state chief](#) Tai Tagak while challenging the AICC in- charge to proved his allegation.

Tagak also suggested Narayansami to concentrate on solving its party’s internal [rift](#) instead of leveling allegation. Due to internal [rift](#) amongst the ruling congress party, it is the common public who are being suffered allots. Public gave mandate to the congress in hope for good governance but for last few months there is nothing recorded in development graph. ‘Boycott of 21 MLAs has proved that they are [against](#) the present CLP [leader Nabam](#) Tuki, so current government is minority government’ said Tagak

Indeed it is the high-time for Rajbhawan to show some necessary action for the sack of common people of the [state](#) and BJP urged the [Governor](#) of [Arunachal](#) Pradesh to initiate a special session in [state](#) Assembly to prove majority to both the [group](#) so that everything would be comeback in track, added BJP-[state](#) Chief Tai Tagak.

While reacting on the allegation to PM Modi , Tagak informed that PM Modi has special attention for all North-eastern [state](#) , the recent announcement of Rs 1 lakh crore [package](#) by the Union Minister for Road & Highway Nitin [Gadkari](#) beside other special [package](#) for the development of [roads](#) in NE is one of the best example to proved how much PM Modi thinks for all North-eastern states.

Indeed crores of central fund beside Rs 516 crore [as](#) central share has been sanctioned every month but we believed that amounts are being used for horse trading in current political imbroglio instead of using it in developmental activities, asserted Tagak.
