Subject :- Resignation from the post of Cabinet Minister

Sir,

I am to bring to your knowledge that the Government under your leadership has miserably failed to live upto the expectations of the general public of Arunachal Pradesh. There is no democracy within the Party MLAs nor political stability due to which governance in the State is at its lowest. The State, since past few years, is undergoing through the worst and unprecedented financial crisis in its history yet you have not taken any significant steps towards improving these states of affairs.

As the Government under your leadership has now lost the popular support of the CLP members and the people of the State at large, I do not consider it appropriate to continue any further as a Minister in the Government under your leadership. I, therefore, tender my resignation as Cabinet Minister from your council of Ministers on moral grounds with immediate effect.

This is for favour of your necessary actions please.
