An awareness programme on World Population was organised at Salbari LP school under Balajan block primary health centre in Kokrajhar district on Saturday.

Hundreds of citizen and villagers from Salbari village participated in the programme, was organised by Balajan Block Primary [Health](#) Centre to create awareness about population growth and its impact among society.

BTC executive members Rajib Brahma, Doneswar Goyary, Uttam Brahma, DPM Kokrajhar, Mandeep Singh, co-ordinator Kokrajhar [UNICEF](#) among others were present on the occasion.

Dr. N Boro while addressing the programme said that it was an advantage awareness' programme on world population to bringing awareness among the common masses in remote areas. He said that [India](#) is second largest population in the world, of which China is first, but if [India](#) continue its [birth](#) rate, population of [India](#) would be crossed China in days to coming. Boro asserted that India's growth rate has been becoming higher due to early [marriage](#), lack of family planning, lack of education, low exposure of wife. He also urged citizens decrease high rate growth of population and proceed for family planning in proper manner.
