The Science Express-Biodiversity Special train of the Union ministry of environment and forest arrived at Kamakhya railway junction in Guwahati on Saturday. The special train was inaugurated jointly by the mission director of Sarva Sikhsha Abhijan, L S Changsang and N F Railways general manager R S Virdi.

Eight of the coaches are dedicated to showcasing the biodiversity of the northeast, trans-Himalaya and Himalayas, Gangetic plain, desert and semi-arid zone, western ghat, Deccan peninsula, coasts and islands. The other coaches exhibit climate change, energy, water conservation and petroleum among the other branches of science. The train will be here for four days.
