Assam Sahitya Sabha, UK 's forthcoming program, Birth Anniversary of Mahapurush Srimanta Sankardev, is making a mixed response. The schedule for the program is on October 9, which will be before the actual date of Birth Anniversary of our Guru. Usually UK NRI-Assamese are normally celebrate the Birth Anniversary of our Guru's as per their convenient time (next week end which is fall after the date of actual Anniversary). That also followed in all over the world by Assamese community. This time, Assam Sahitya Sabha UK's program schedule is before the actual date and it is offended lots of Assamese NRI's. They feel hurt due to it.
