State BJP unit has failed to fine tune the list of the candidates for the Lok Saha polls slated for April 7, 12 and 24.

The Opposition party held its election committee meeting in Hotel Rituraj in the morning in presence of S S Ahluwaliah. But the meeting could not proceed in the face of difference within the heavyweights.

State president Sarbananda Sonowal is leaving for New Delhi on Thursday to prepare the panel of the candidates in a day or two.

The party is expected to announce the list next week.
