A major boost awaits Manas sanctuary in Assam along with the tea industry. DoNER has approved a comprehensive tourism master plan to be implemented by the North Eastern Region prepared by Tata Consultancy Services. The TMP will be implemented in three phases over a period of ten years and a total investment of Rs 3654.84 crore has been outlined for the implementation of various components and projects of the TMP. Nine inter-state tourism circuits have been identified in the TMP and will be taken up for development in the first phase.
