In the morning of April 22nd a truck loaded with cement fell off the bridge along the [Barpeta](#)-Kayakuchi-Bhaktardowa-Sarthebari PWD road which links Kayakuchi with Bhaktardowa. The bridge is a means of transport for some fifteen thousand commuters per day. Three months hence, commuters are yet with no alternative.

A bamboo bridge have been constructed in the interim to make do with the situation. Four wheeled vehicular movements are not possible and normal transportation is under stress.

The Public Works Department has shown utmost negligence in its attitude towards the situation. Meanwhile the [Barpeta](#) district committee of the All [Assam](#) Minority Students' Union (AAMSU) has condemned the Sorukhetri AIUDF legislator, Ali [Hussain](#) for his inability to speed up matters.
