BVFCL Fertilizer, the single unit in [India](#) which runs on Natural Gas and has its own Marketing Complex (BVFCL Daily Bazaar) with 30 permanent shops. But cleanliness is nowhere seen with foul odours of vegetables, Meat and Fish shops making it difficult for the people stay calm.

Lack of proper drainage system is to be blamed for it where the residents of the Sec - C area have been bearing the brunt.

Smrity Rekha Kalita. [President](#) and Samiron Boruah, Secretary of Human Rights and Anticorruption Forum Namrup, said " a recent survey has revealed the real picture which is responsible for air pollution in the entire area."

The duo said that BVFCL authority neither has installed a dustbin in the area to dump the garbage in the three huge industrial areas to save the people from 41 villages and 8 tea gardens. Will the BVFCL authority act?
