Criminal Investigation Department is intensifying its probe into the sensational Gadapani Pathak case where the agriculture department superintending engineer was killed after he was kidnapped at gunpoint. CID sleuths continue to grill Faizul Islam for third consecutive days after he was released from a private nursing home in Bongaigaon. Islam, an engineer who had accompanied the slain engineer Godapani Pathak to Dhubri, is set to be quizzed further in this connection. Islam, who was rescued after 25 days of abduction, had accompanied Godapani Pathak, a senior engineer of state agriculture department, whose bullet-ridden body was found on May 3 last in Bongaigaon to Dhubri. CID found contradiction in his and the driver of Godapani's official vehicle Nur Mohammad versions.
