As the D-Day comes closer, the city of Guwahati prepares itself for the day with round the clock checks, security set-ups and other arrangements. In the spate of the recent bomb blast in Fancy bazar last week, various checkpoints have been set up in different parts of the city to vigilate coming in and around the city.

The venue where Independence Day is to be celebrated, the Latasil field, have been kept on tight vigil since this month beginning. Policemen have been deployed in and around the field and it has been lit up with lights for better vigil., The policemen keep a 24 hour vigil and conduct checks.
