Assam Chief Minister Tarun Gogoi on Tuesday said that his government will give priority to the development of rural areas saying that only the rural Assam would help the state progress on all fronts. Addressing a function in Guwahati, he said that the government has been village-centric since day one as without the development of rural areas no real development can take place. Minister for Panchayat and Rural Development Rakibul Hussain said a total 60 vehicles had been distributed today in the first phase to the BDOs to improve their access to the remote areas.
