Eastern Confluence is organising Curves and shades 09 at the Art Gallery of Sankardev Kalakheta from 15th 19th February. Many people from different parts of the city have visited the exhibition. The exhibition is mixture of paintings and photographs fro different parts of the country. The painters and photographers are from North East and they are professionally engaged in different parts of the country. Film screenings of documentaries have been organized along with the exhibition by the organizers. "It is really nice to see the talents of young professional from North East India and I wish that there would more of

such people if they get platform to explore, said Ms Ruma Sharama to this correspondent. The exhibition shall conclude on 19th February.
