Mumbai : As cricket slides down the TRP ratings, Dav Whatmore is all set to coach his third Asian Country - India. Whatmore's appointment is just a mere formality according to sources in the BCCI. He is the popular choice of players as well as the administration.

This would be Whatmore's most challenging assignment till date in a country where cricketers were considered to be demigods, still are, but fast sliding down the popularity ratings. He faces an uphill task - reviving Indian Cricket.
