Realising that the armed revolutionary struggle could not bring peace and development or any sort of solution, rather would be better to take up non-violent, peaceful democratic process for all round growth. And to fight democratically for the cause of the people of the District as well as socio-economic development it was very much necessary to be a part of parliamentary politics in a democratic country. Therefore the leaders of former Dima Halam Daogha led by Dilip Ninisa along with well wishers, supporters and civil body leaders have decided to launch a political party in name and style as DIMA HASAO DOL stated a wide circulated press note issued by Shri Mukesh Diphusa Publicity Secretary DIMA HASAO DOL.

It is stated in the release that it was well known to you all that the 11th Autonomous Council election of Dima Hasao Autonomous Council (DHAC) was almost knocking at the door. It was likely to be held shortly in the month of April.

The newly formed DIMA HASAO DOL would nominate candidates and contest the ensuing election of the DHAC in 2013. They have decided to place their Candidates in most of the constituencies and electing the DIMA HASAO DOL Candidates to form Government at DHAC with absolute majority was of utmost necessity for development and for full implementation of all MoS Clauses effectively to the letter and spirit.

They sincerely appealed to all that their earnest support and active cooperation and united efforts can only make them elected to the power of DHAC.

It is further said that long generation of corrupt and irresponsible leaders elected in the past both national and regional political parties to the power in the DHAC on several terms witnessed their incompetent ruling, found no development except corruption and misappropriation of development funds.

So, it is their strong commitment to the people of Dima Hasao district to challenge those corrupt practices and determined to root out all incompetent leaders and bring pro-people, responsible and clean administration for all round development and peace if we are elected to power through your kind and wholehearted support and cooperation.
