The District Transport Office of Dhubri, has started a special drive stating June 1 to curb irregularities in passenger carrying vehicles. On Wednesday itself, the transport department has collected Rs.10, 600/- as fine, withheld documents of 12 nos. of vehicles, and three busses found to be unfit.

In Dhubri, most of the small passenger-carrying vehicles move recklessly with overloaded passengers and there is every possibility of a big accident, anytime. According to the conscious people, DTO office of the district should be more vigilant to control such vehicles otherwise; any sad incident may happen at any moment.
