

Dominating trends in Chinese society

Comments 0

AT News 28 December 2014 Updated 28 Dec 10564 views

The socio-cultural scene in China has undergone a sea change if the experts are to be believed. Veteran writer Alka [Acharya](#) said that during that couple of years, the Chinese publications have become commercialized.

Participating in a discussion on the changing [trends](#) in social and cultural [trends](#) in China chaired by scholar Puspesh Pant in the Guwahati [Lit](#) Fest on Sunday, [Acharya](#) observed that women voice has been dominating the Chinese publications for the last couple of years.

She said that every single issue confronting the Chinese society suggests the changing [trends](#) in the neighbouring country. According to her, China has more less been successful in poverty alleviation. But she was quick to add that still millions of people are lingering in poverty.

The great works of the giants on this planet are being translated into the Chinese literature, the expert said as she was responding to a question posed by an audience.
