The programme at Genpact allows candidates to work and earn a Bachelor of Commerce (with Computers) degree simultaneously. Aimed at students who have completed Class XII and are in the process of pursuing a college degree, it allows students to gain valuable work experience in the largest business services and technology solutions company, while studying for their graduation degree. Upon completion of the three-year programme, a student obtains three years of work experience and is offered full-time employment at Genpact. Over 500 students across the country are already on their way to enhance their careers through this programme
