TANGLA: A herd of wild elephants seems to have been unleashing no less terror in [Udalguri](#) district. The latest victim is an old whom a wild elephant trampled to death on Sunday sending huge shock across the BTAD district.

The incident took place at Samachia area where the jumbos which came down from the Indo-Bhutan border in search of food spotted Bolai [Munda](#) and attacked him at an open field.

A local animal lover blamed it all on the rapid deforestation in the entire area where the wild elephants have nothing to survive.
