Silchar: Finally, the state confirmed it's first COVID19 patient with a travel history to Delhi where the cancer patient attended a religious function at Nizamuddin recently.

The 55 year old patient from Karimganj was undergoing treatment of cancer at the Silchar Medical College for the last couple of days.

Doctors attending on him advised quarantine treatment which he defied and kept moving in Mehekpur area in the Barakvalley town.

After preliminary confirmation, the sample was sent to Pune for laboratory confirmation which suggested it a COVID 19 positive case.

The authorities have been investigating and scrutinizing his profile. He confessed his participation in the religious function in Nizamuddin along with 400 others from the state.

"Treatment is in progress and the police investigation is also going on to trace out his fellows," said the SMCH authorities.

With this the north eastern region had 3 COVID 19 cases--two others being in Manipur and Mizoram who are said to have been gradually recovering.
