The Kaziranga National Park, Pobitora Wildlife Sanctuary and Dibru-Saikhowa National Park have been reeling under floods and there is no hope of an immediate relief. Alert has been sounded in the Kaziranga National Park. At least 15 anti-poaching camps of Kaziranga have been submerged, forcing the security staff to shift to boats in order to keep an eye on poachers. The mighty Brahmaputra is flowing above the danger level mark in Dibrugarh, Nimatighat, Dhemaji, Tezpur and Dhansirimukh in Kaziranga.
