Since its installation ,the frequent failure of an SBI ATM at Raha has created a strong resentment among the public as well as the customers of SBI Raha as they in the time of emergency have to rush either to Nagaon or to other places to withdraw money.

The ATM counter installed by SBI, Raha ,at first was expected to be a great help for those who failed their transaction done at SBI Raha branch in time due to heavy rush of customers..But frequent failure of it has caused a lot of inconvenience not only for the customers of Raha alone but also other wayside travelers,businessmen, tourists etc.

The residents of Raha as well as the customers of SBI Raha have urged the SBI higher authority to look into the customers problems properly and take immediate steps in respect of failure of the afromentioned ATM counter.
