Assam chief minister Tarun Gogoi is recovering rapidly. Doctors attending on him at the Asian Heart Institute are quite satisfied with the progress and he would be released from the hospital in a day or two. But according to family sources, Gogoi who has undergone two complicated open heart surgeries would be shifted to the Hotel Trident for more bed rest. The chief minister is monitoring the day to day affairs of the state by talking to acting chief minister Dr Bhumidhar Barman and other minister over telephone.
