Dispur has deployed at least 16 teams of the National Disaster Response Force, 60 army teams and 18 teams of the State Disaster Response Force in relief and rescue efforts in worst flood affected districts. IAF has deployed four helicopters in the Sadia subdivision in Tinsukia district to air drop necessary food items and rescue marooned people. Ferry services have also been stopped at Sadia and Majuli in Jorhat district as the Brahmaputra river is over flowing. Several villages have been submerged in Sadia and Majuli.
