

Heart-care at affordable cost in Guwahati

Comments 0

editor 7 April 2012 7875 views

Heartcare at affordable cost! courtesy Ayursundra. The Guwahati-based healthcare provider group is set to spread the concept of specialised heart care units in hospitals across the state.

This will provide the latest treatment at affordable price. The model is based on the concept of 'Hospital Within a Hospital' and consists of having a Cath Lab, an ICU, monitoring system and other associated machines for dealing with emergencies as well as comprehensive treatment of heart ailments.
