For quite sometime, those who back Hopingson A Shimray and the NPF ticket aspirant himself have been claiming that the number of his supporters in the Phungyar assembly constituency has continued to grow [over](#) the last few months. [As](#) reported earlier, till the middle of October, a whopping 2200 supporters from the constituency have newly enrolled themselves [as](#) primary members in the Naga People's Front (NPF) to support Shimray in the ensuing [Manipur](#) legislative assembly elections.

And while Shimray arduously propels the 'new-vision-for-the-people' mantra, it seems to make sense to assume that 'grassroots campaigning' to genuinely feel the pulses and concerns of the electorates has been paramount to the current growth of his support.

The former Indian Railways officer, who hails from Marou village under 43-Phungyar constituency in Ukhul, has repeatedly stated that he has been able to understand the needs of the villagers and enlighten them on the need for securing their lives on political, economic and social fronts.

In a new development touted [as](#) an outcome of his ongoing tour -- which has covered 87 villages so far -- across the constituency, a [group](#) of like-minded youngsters of 24 villages under Kamjong subdivision voluntarily initiated a youth interaction cum enrollment drive for the NPF in support of Hopingson Shimray at Kamjong headquarters on Friday last.

"About 100 people including 85 youth from 24 villages under Kamjong subdivision drawn from different political affiliations participated in the interaction and pledged their support for Hopingson Shimray through a consensual resolution," event convenor Ningkhan Zimik told reporters during a news conference held at UDWJA office on Saturday.

According to Zimik, out of around 100 participants who received enrollment forms, 42 were confirmed [as](#) primary members of NPF on that day itself, while the rest are expected to submit the [documents](#) in a few day's time.

The participants have fully subscribed to the ideas and vision of Hopingson Shimray for the development of Phungyar constituency and other hill districts of [Manipur](#), Zimik said quoting the resolution adopted in the meet.

He also said that the people have now realized the relevancy of NPF to the politics of Naga people in view of the ongoing peace process.

Continuing that NPF is also the only party that is pursuing effective implementation of the Article 371(C) for the tribals of [Manipur](#), Zimik said [as](#) citizens of [Manipur](#), they believe in the principles of mutual respect among the different communities in the interest of peace and unity.

To support Hopingson Shimray, each of us has taken the first step by enrolling ourselves [as](#) primary members of NPF, said a supporter Khangampam Eshidang.

"So, we are committed to work for the [success](#) of Hopingson Shimray in the forthcoming elections under any circumstances," said Eshidang.

Meanwhile, vice president 43- Phungyar area NPF unit B Chithung has, on behalf of the party, expressed pleasure in the enrollment of 42 new members in the party and extended wishes to Hopingson Shimray for [success](#) in the ensuing polls.
