The [Arunachal](#) Pradesh Bharatiya Janata Party said that the PPA Legislator of Markio Tado was personally invited by the State BJP [President](#) Tapir Gao to attend the Tali Maha [Development Rally](#) on Sunday which was attended by the Chief Minister Pema Khandu, Kiren rijiju and Tapir Gao State BJP [President](#).

The MLA was persuaded by the State BJP [President](#) during the last State Assembly session onwards and later,he was invited to the State BJP office and wherein ,he came and agreed to participate in the said rally.

The team comprising of the Chairman organizing committee,District BJP [President](#) and Mandal [President](#) of Tali area met him and briefed him about the programme with an invitation to join,as it was a development [Rally](#).

Even in the morning State BJP [President](#) Tapir Gao invited the MLA to accompany them in the chopper carrying the CM,Union Minister and Tapirji himself for the [Rally](#).

The very purpose of Maha [Rally](#) organized by the Tali people along with BJP was to apprise the long untold sufferings of the people of Tali which remains unconnected by road till today and to bring to the notice of CM, Union Minister and State BJP [President](#) of the present Tali scenario of development.

The allegation by PPA of insultation and humiliation of local MLA is very unfortunate and BJP always expect positive criticism from the responsible opposition party and allegations of wasteful show of strength of [state](#) resources to undermine local MLA is unusual ,instead, the party should have extended full support for the development of the most underdeveloped assembly segment in the [state](#).

The PPA should rather appreciate the CM and Union Minister for practically taking stock of the present developmental scene at Tali.

The commitment to restart the Tali-Yangte road by this month of November and sanctioning of Rs.5 crores to complete the bridge [over](#) Kumey river and promise to connect Tali with road immediately by the young Chief Minister Pema Khandu is a huge relief for the entire Tali region, as the HQ will be connected by road for the first time. As a [follow](#) up action, the young CM has called the Chief Secretary Satya Gopal the next day itself and instructed him to take up the work of Yangte-Tali road on top priority..

Again, questioning the presence of Union Minister Kirenji is another surprising Issue, he being the local MP and the representative of people has every right to hear the problems of the place and his presence should have been highly appreciated and utilized to change Tali.
