Its final. The One-Dayer International between India and England will be holding in Guwahati as per schedule.

The cricket board (BCCI) has ruled out shifting the Guwahati one-dayer between India and England during the upcoming seven-match series, beginning on November 14.

The recent bomb blasts in three cities of Assam had made the schedule a doubtful one over the sixth match, scheduled for Guwahati on November 29.

Earlier a private TV channel had reported that the match may be shifted to Mohali. But a BCCI official said there were no plans to make any change in the tour itinerary. He said the tour will go on as per schedule.
