A joint Inter-[state](#) coordination meeting of Assam and [Arunachal Pradesh](#) Forest Departments was held on Wednesday under the chairmanship of Millo Tago, Chief Conservator of Forests, Central [Arunachal](#) Circle, [Pasighat](#) in his office chamber to discuss various issues relating to man-elephant conflict, wild elephant corridor & illegal smuggling of timbers through inter-[state](#) border of Assam-[Arunachal](#) by organized inter-[state](#) timber [smugglers](#) with fake/forged transit permit.

The members present took serious note on the Legislative Assembly debate of Assam during zero hours relating to illegal transportation of timbers from [Arunachal](#) to Assam and decided to put a joint effort to prevent such inter-[state](#) illegal timber smuggling. It has also been resorted to improve the coordination and communication at various [level](#) of administration with a bottom of approach right from Range, Division, Circle and so on between the two states along the inter-[state](#) border so [as](#) to contain such illegal activities. In the meeting serious concern was expressed [as](#) regard to granting of regular bail to the accused, who was on anticipatory bail for having transported illegal timbers under the cover of Fake T.P., Forged seals and signatures of [Pasighat](#) Division. The DFO, [Pasighat](#) has been requested to take up the matter with the competent authority and the DFO, Dhemaji to coordinate till the case [meets](#) the logical end and the accused is punished [as](#) per the law.

It was agreed by the officers of both the states that there are many stretches of porous inter-[state](#) boundary in which no regular forest check gate have been erected and through which such illegal activities are being carried out.
