[Journalists'](#) Forum Assam ([JFA](#)) expresses serious concern [over](#) the media reports narrating the verbal direction of Assam [chief](#) secretary Vinod Kumar Pipersenia to take stringent actions [against](#) the journalist/editor/proprietors for giving space to banned armed militant's views.

"We should remind the State's [chief](#) government official that the working journalists enjoy the right to maintain access to any outfits (may be banned) and even use their version in need but without justifying & glorifying it. So the anger and direction from the State [chief](#) secretary to take actions [against](#) media persons for using militants' point of views are unjustifiable," said a [JFA](#) statement.

However, the [JFA](#) opined that the media too should (must) not play with the militant-statements for personal scores and it is equally unjustified when a section of editor/journalists (from both print and electronic media) blow the banned outfit's version out of proportion disregarding the national interest, added the statement issued by [JFA](#) president Rupam Barua and secretary Nava Thakuria.
