Despite non stopped rhino poaching Kaziranga ([/taxonomy/term/122](#)) has reasons to celebrate. There has been steep rise in swamp deer population in the national park.

Forest minister Etwa Munda ([/taxonomy/term/1730](#)) told reporters in the world heritage site on Monday that the swamp deer population has gone up by 275. He revealed it a day after the census conducted jointly by forest department, Wildlife ([/taxonomy/term/123](#)) Trust of India and ONGC.
