

Let up in Guwahati waterlogging

Comments 0

AT News 14 June 2017 10655 views

Rain [waters start](#) receding in Guwahati on Wednesday twenty four hours after heavy downpour wreaked huge havoc in the premier north eastern [city](#) where two persons were killed.

Barring the low lying areas, there is marginal [let up](#) in the situation in the points where rainwaters have disappeared on Wednesday morning.

The situation improved because of [let up](#) in the rains apart from the initiatives to pump out the disrupting rain [waters](#) which submerged almost 60% of the capital [state](#).

GD Road is cleared of the [waters](#) while the RG Barua Road will be clear towards the evening. But if fresh rains lash the [city](#), it would be another nightmare.

The district administration has asked the school authorities not to remain opened on Wednesday in view of the flood situation.

A joint [group](#) of GMC, GMDA and district administration has been fanning in the worst-hit areas to ensure rescue operation deploying SDRF while top administrative officers in Dispur have been monitoring the situation to apprise it to the [chief](#) minister.
