[Louis](#) Berger episode seems have resurfaced to embroil fresh trouble for Himanta Biswa Sarma giving much ammonition to Congressmen to target their former fellow.

The [US](#) department of justice is understood to have agreed to provide the evidential [documents](#) to substantiate the multi crore [Louis](#) Berger kick back to procure the award of contract in Guwahati metropolitan [city](#) a couple of years back.

Amid much hue and cry, the erstwhile [Tarun Gogoi](#) government ordered a CID probe which is going on. But the probe refused to progress in the absence of crucial [documents](#) justifying the kick back allegations where the name of Himanta Biswa Sarma was involved who was GMDA minister during the Gogoi regime.

But neither the centre nor the [state](#) is interested to extract the [documents](#) in consultation with the [US](#) authorities to carry forward the investigation. The [Congress](#) leadership in Assam are believed to have maintained stoic silence for allowing it to happen in the Gogoi's 15 year long regime.

Despite demand for CBI probe, Gogoi instituted a CID probe and washed his hands off saying that more [documents](#) are required to move CBI. That too amid his bitter relationship with Sarma who revolted [against](#) him.

Then the central BJP [leaders](#) called Sarma [as](#) the key accused in the scam. But later they brushed aside the allegations after Sarma's entry into the saffron Party. Then they gave [clean](#)-chit to Sarma calling inadequate evidence.
