In a major boost for students, the [Arunachal](#) Pradesh government will release their stipend in three installments. The government decided to frame a proper [policy](#) with guidelines to facilitate financial assistance to such schools.

[Education](#) department has been also directed to include boundary [wall](#), science laboratories, etc while submitting any proposal for school buildings and to keep on record the physical status of all schools and compile a database, which would be helpful for renovation and other developmental works in future.

The meeting that lasted for more than six hours also decided that [training](#) centers with all facilities such [as](#) kitchen and necessary equipment would be established for [training](#) and orientation of supervisors and anganwadis and also establish rehabilitation centers for drug and alcohol addicts.

Flagship programmes like Vidya and CM's Global [Education](#) programme would continue with committed funding from the government. While Vidya would cover more girl students, smart Classes would be introduced in schools this year.
