Born on 3 January 1994, Doungel is a footballer who plays for North East United in the Indian Super League. The [Manipur](#) born player started his career in the youth team of JCT FC before joining East Bengal F.C. of the I-League in 2011. Following is the except of his interview with Assam Times [Sports](#) Bureau in Guwahati.

AT: What is equation between Seminlen Doungel and [football](#)?

SD: Well, [football](#) is just not a game. Its my life. I can't live without [football](#). I career in [football](#) began from my infancy. Since then it's my passion. It gives me immense pleasure to think that I kicked off my chances to play along with [football](#) legends. My favorite players include Joan Capdevila who is shining at the Northeast United FC. This is apart from the indomitable Koke.

AT: Do you have any problem while you are playing with your foreign counterparts?

SD: Definitely. But it methinks a minor one. That's communication problem. But I have been receiving overwhelming support from all players. They often have been helping me get rid of the hardship. You see how I have been staying far away from my family only because of [football](#). I won't be there with them even in the time of the upcoming [Christmas](#).

AT: How far you are confident of the victory for the NE FC?

SD: I am fully confident of their victory in the Indian Super League matches. I am confident that my [training](#) would help them strike victory in the upcoming matches.
