The functionings of Margherita police seem to have raised doubts among a section of the people these days.

The release of an accused in a diesel theft case creates no less anger among the local residents. According to allegation, the police have released Narayan Adhikary even after he was detained acting on the complaint of diesel theft from the residence of Sambhu Singh in the Segunbari area.

It is alleged that police spared Adhikari only because of his comfortable relations with a circle of senior policemen apart from a few district administration officials.

NAZIRA, September 27, 2026 — Tension continues to prevail in Nazira, particularly in the Santak-Bihubar area, following the killing of Biman Barua, president of the Rangajan Yuva Samaj and a youth social worker, on September 18 under Bihubar Police Station.

Following the killing, local residents have been demanding stringent punishment for the alleged masterminds, Ravindra Singh alias Vicky Singh and Rubul Khan, besides seeking demolition of Vicky Singh's residence.

Meanwhile, Sivasagar district police have taken Vicky Singh and Rubul Khan into custody and are questioning them at the district headquarters police station in connection with the murder case and allegations of drug-related activities.

According to police sources, the two allegedly told investigators during questioning that drugs were brought from Dimapur and Nagaland and stored at the residence of Vicky Singh's sister in Nazira town. The drugs were allegedly supplied from the house to users in different parts of Nazira and Sivasagar.

Based on the information allegedly obtained during the questioning, a joint team of Bihubar Police and Nazira Model Police Station conducted a raid at the residence of Vicky Singh's sister, Rinki Singh Bora, in Ward No. 6 of Nazira town on Saturday morning.

Police detained Rinki Singh Bora and are reportedly questioning her in connection with the alleged storage and distribution of drugs.

The investigation into the murder of Biman Barua and the alleged drug network is continuing.
