Massive water logging in many parts of Guwahati paralyzes normal life in the city on Monday.

Many roads and by lanes in the city have been submerged in waters following a downpour in the wee hours which lashed the city for nearly one hour.

The worst-hit areas include Chandmari, Anil Nagar, Zoo Road, Nabin Nagar, Lachit Nagar where rain waters wreaked no less havoc in the morning.

Parts of the Guwahati-Shillong Road also came under the rainwaters on Monday morning causing much inconvenience for the people in this premier north eastern city.

The massive waterlogging is resulting in the traffic snarl in the RG Baruah Road, GS Road where normal life remains disrupted.
