Guwahati: A piece of paper that has gone viral in social media has touched off a seismic wave of anger and acrimony among the media fraternity.

The unsigned piece of paper has details of cash transactions with some media houses and piece officers to safeguard the illegal coal trade.

Strangely enough, no media houses in question has yet denied the allegations.

These news paper and news channel authorities have maintained studied silence over the allegation of the nefarious deal. Nobody is prepared to deny or look into the allegations.

Same it happens in the case of the senior police officers.
