Gujarat Chief Minister Narendra Modi's speech will gave the people a new ray of hope if a section of youths are to be believed.

"I think he should be given a term to prove what he promised today," said Pranjal Parashar. He said that his speech has a taste and energy. "Why don't we take a pledge to think of these?" said the studious BJP activist who came from Jorhat to attend the rally.

Another college student from Digboi told Assam Times that only Modi will be able to inject Assam a ray of hope. “He is correct we have hardly any leader despite plenty of resources. Without any able leadership and proper planning how will we progress? The answer is Narendra Modi himself,” said the ABVP activist.

“We have no option but to move Modi. It is too late for the states like Assam to get an able leadership like Narendra Modi. But late is better than nothing,” said Sushmita Sarkar from Nagaon who was very keen to listen to the Gujarat chief Minister.
