Most of the roads connecting Nagaon with Jagi Road, Dimapur, Tezpur are in such a dire state that travelling through these are becoming to be real nightmare for citizens. The condition of NH, SH as well as inner roads in the city is dipplated so much that two-wheeler riders are mostly who are suffering injury on account of it.

The state of road in front of Sadar Thana can be eye-opener for all of us as police-men inspects vehilce in front of big pocket-holed patches in front of police station itself. But, they seldom do anything besides regular routine cheking of vehicles,because untill the road causes an accident, they are not responsible!!!

On the other hand repairing of roads did'nt come-up in priority list of those bodies, who are concerned about revenue collection in one or another form, but it hardly matter for them to spend back people hard earned money on their welfare. It seems that they had given deaf ear on the issue.
